

INCREASE YOUR PROFITS THROUGH THE USE OF

VALUE ENGINEERING

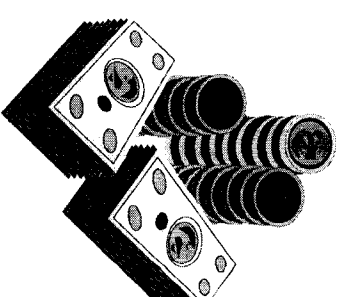

LOOK FOR THE COST REDUCTION OPPORTUNITIES WHICH MAY EXIST IN YOUR CONTRACT.

Here's what to do

Contractors Guide: WEB Page:

<http://www.osc.army.mil/rm/rmp/ve/industry%20info.htm>

....and how to do it.

LOOK FOR UNNECESSARY OR OVERSPECIFIED REQUIREMENTS SUCH AS:

- SOLE SOURCE PARTS
- INSPECTION/TESTING
- PACKAGING
- SPECIFICATION/STANDARDS
- PRODUCTION PROCESSES
- HIGH COST MATERIALS

Training:

<http://www.osc.army.mil/rm/rmp/training.htm>

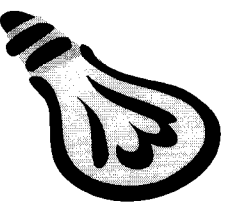

Call our Value Engineering staff
309/782-3470 or 793-6260 or e-mail
us at Zelnio@osc.army.mil

WEB Page:

<http://www.osc.army.mil/rm/rmp/veindex.htm>

If your Value Engineering Change Proposal is adopted you may share:

- up to 75% of the net savings on the current contract
- up to 75% on future purchases of the item/service for a 3-5 year period
- 20-100% of the annual collateral saving realized out side of the contract

For details refer to the Value Engineering Incentive Clause
Federal Acquisition Regulation (FAR) 52.248.1
